1. It is requested that future [REDACTED] Courses commencing with [REDACTED] No. 24 be scheduled to run three weeks instead of four weeks as previously presented.

25X1A

2. Analysis of course content of previously scheduled [REDACTED] Courses indicates that the course can be presented in three weeks with no weakening of content or effectiveness.

25X1A

3. The course objectives remain the same, but course content is being revised to permit greater emphasis on planning and management problems which confront [REDACTED]
